Or, if you plan to purchase goods or services from various Danish companies, we may be able to arrange a shopping line covering multiple contracts. This enables you to make purchases from multiple Danish suppliers with the peace of mind that the financing is already in place.

We participate in both small and large transactions. In both cases, you will be offered a competitive financing deal once you are covered by our AAA-guarantee to back your credit from a Danish or international bank.

How much?

The premium depends on your country, creditworthiness, currency, general market conditions and the repayment term.
